Susana;

Per your previous email you stated it would be cleaned up twice a month, and now it's down to one month wow. If you would take the time to look into your community you would know that they did NOT clean the side of fwy, infact more of them have moved into the side of fwy. This is becoming a health and fire hazard for residents. Not to mention that the school is steps away and that does not concern you as a council women?

If you do not have the resources please send me the correct contact information.

Hello,

The encampment at Paxton & Bradley does get cleaned up once a month.  
This location will be cleaned up on 4/9/19.

The reason there are more tents in the area is due to a clean up Cal Trans conducted on their side and they moved the folks that were located on their property out to the City sidewalk.  
Many church groups and family members visit the individuals at the location bring them food or other items and over the course of time that accumulates.

Our office is working with LAPD, Los Angeles Family Housing, Department of Mental Health, and well as the City Attorney's Office to make sure everyone is assisted or arrested if they are committing any crimes.

Please let me know if you have any other questions,

**Susie Carmona**, Area Representative

Councilwoman Monica Rodriguez, 7th District

Good morning;

Who do we need to reach out to since no council is stepping up to help?

Good afternoon;

Who do we contact regarding homeless encampment, that has alot of drug and prostitution activity within a mile radius from Vaughn street school. This is becoming am issue and need guidance as to how we can go about cleanning this are up. They are located off bradley and paxton, and have also moved behind factories on the fwy side.
